

Bumble Bees Day Nursery & pre-School

February 2024 ❤️

Dear Parents,

I would like to extend my thanks to all the support our families gave us at the beginning of the month during our staffing challenges. It is most appreciated.

As you may be aware, the pavilion is undergoing a refit to extend the size of the downstairs Heaverham room. The work is expected to start on 11th March and last for 5 weeks. For those weeks we shall be moving the nursery upstairs in the pavilion and the clubs that use it during the week, will move to the squash court. In the lead up to our move we are asking for anyone that may be able to move items of furniture upstairs to please let us know. We require volunteers during the week leading up to the 11th and Saturday 9th. As you can imagine this is going to be a huge challenge for us and would appreciate anyone who can help us. Thank you.

Topics – This month’s topic is ‘our senses’ – we shall be partaking in lots of sensory play and looking at the environment around us.

Spring Term Topics

February – Our Senses

March – Spring

April – Growth

A few reminders
