Reminders

- ❖ Please could we remind parents to bring a cold packed lunch so that we can enjoy picnics on the grass.
- ❖ Could we ask you to bear in mind that the girls finish at 5pm, so if you are needing to talk about something at length with your child's practitioner, please arrive a little earlier to do so.

Parent's WhatsApp group

One of our parents has set up a WhatsApp group chat. Should you wish to join, please let one of us know and we can pass on the details.

New faces

Please help me welcome our new practitioners, Chelsea and Hannah. Both will be working towards their Level 3 Childcare qualification and hope to be fully qualified by as soon as next year. We are really excited to have them as part of the team, and they have settled in well already. Hannah is local to Kemsing and has four children of her own, and Chelsea has been working in nurseries since leaving school.
