Amy

It is with great sadness; we say goodbye to Amy in June. Amy joined us as lunch cover in November and has become a much-loved member of the team. Amy is off to work full time as a gymnastics coach. Please help me wish her the very best in her new ventures, and thanks for all her hard work. 💖

New Staff

We are currently in the process of onboarding two new members of staff who will be working towards their Level 3 qualifications. We will share with you as and when they start.
