Provider

 Sir Mark Collet Pavillion, Heaverham Road, Kemsing, Kent TN15 6NE

 07963870599

Opening Hours

We are open Monday to Friday 9am to 5pm for a minimum of 46 weeks per year.

Fees

Fees are due at the beginning of every month. We require a £25 registration fee with a completed application. We offer an 8:30am start and 5:30pm finish which is by booking only. We also offer 15/30 hours funding depending on availability.

Our Ethos

“We provide a happy, secure environment, where children can learn through play, make new friendships and develop their social and interpersonal skills”

Our Aims

To provide high quality care and education in a safe, stimulating environment.

To support and encourage excellent manners and thoughtfulness towards others through example.

To enable children to play independently and in group situations, building relationships with both adults and children.

Through activities, conversation and good practice, we will help children to express their own feelings and respect others.

Who we are

Bumble Bees was established in 1989 and is situated in the village of Kemsing on the picturesque North Downs. We are a small nursery offering up to 20 places, daily, for children aged 3 months to 4 years. It is run by experienced, qualified staff who are trained in first aid and food hygiene. We consider ourselves a ‘home from home’ setting and can give all children the personal care and attention they need in what is often their first experience away from home and family.

“Children's laughter is everywhere as they happily leave their parents to explore the exciting activities in this nursery.” Ofsted 2023

We ask parents to provide their child with a healthy morning snack and lunch. Bumble Bees provide a light afternoon tea catering for a variety of dietary requirements. Menus available on request.

Parents are asked to provide nappies and cream. We provide wipes.

This enables us to keep our daily fee competitive.

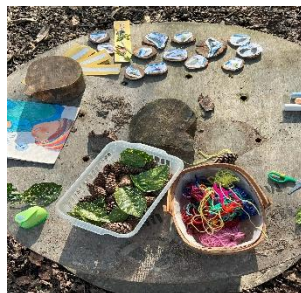

What we offer.....

Forest School is a child centred inspirational learning process, that offers opportunities for holistic growth through regular sessions. It is a long-term program that supports play, exploration and supported risk taking. It develops confidence and self-esteem through learner inspired, hands-on experiences in a natural setting.

Tots in Sport is an entire teaching system for preschool-aged children. By developing a diverse range of activities, teaching younger children the fundamental skills which are necessary to enhance their Physical Development.

Testimonial

“An inviting and inclusive nursery where children grow at their own pace. The staff are excellent and provide high quality care which is evident in the range of skills and experience they have” - Sarah

Testimonial

I am so grateful to Bumble Bees and their incredible staff as going back to work after 6 months was tough. But I'm so thankful to the staff for not only supporting me in that hard transition, but taking such good care of my little one. She is thriving, happy, loved and supported. She is surrounded by an amazing team and other great children, as a mother my heart couldn't be happier for her experiences and fantastic environment.
